

Spiritual Vitality | Revelation 3:1-6

You can look spiritually alive while being spiritually asleep.

Spiritual sleep can hide behind a good reputation.

A Christian can be active without being spiritually alive.
Our spiritual vitality is most at risk in normal/mundane times.

Jesus wakes up what we would give up on.

Jesus has the life that we might lack.

He wakes us up by calling us to:

Be alert

Remember

Strengthen

Repent

Jesus knows the names that truly matter.

We all want to be seen and that want is met in the reality that Jesus sees us.

Jesus is not asking us to maintain an image. He's calling us back to life.
