GOD'S INVITATION TO
DRAW NEAR

The Holiness and Victory of God | Leviticus 16

Pastor Bryan Walmer

The Day of Atonement is focused on removing the sin of Israel from the Tabernacle. It teaches us about:

Holiness

God is so holy that only one person on one day out of the year could enter the hotspot of his presence.

Sin defiles both people and things/spaces.

Humility grows where God's holiness is known.

Victory

The pure goat dies for the sins of the people and its blood completely cleanses their sin.

The second goat shows that we are forgiven for our sins and freed from sin's consequences.

God sends our sins to Satan's doorstep as an assurance of this.

Jesus is the fulfillment of the day of atonement.
