Temptation feels powerful, but its power is borrowed.

How temptation works

Justifies our behavior - "I deserve this."

Offers shortcuts - "Technically it's not illegal."

Twists the truth - "God just wants me to be happy."

The truth about temptation

Temptation has borrowed power.

Temptation can be defeated.

How to resist temptation

The Scriptures - Truth to combat temptation

The Spirit - Strength to be obedient

The Son - A substitute to secure our victory
