Growing In Our Faith | Philippians 3:7-14

Pastor Bryan Walmer

September 13, 2026

A growing relationship with Jesus increases in knowledge of, affection for, and devotion to Jesus.

Knowledge of Jesus

We need to grow in what we know to be true about who God is and what He has done.

Scripture is where we find knowledge of God.

Affection for Jesus

Affection for Jesus is more than just emotions.

Affection for Jesus means increasingly looking at Him and saying, "There is no one like Him."

Devotion to Jesus

Becoming more and more willing to align all of our lives with Jesus.

The more deeply I know Jesus and treasure Jesus, the more I want to pursue Him.
