*Trials and temptations are:*

*(Matthew 6:13)*

*Inevitable*

*We will face tests in life*

*Temptation and tests are good for us*

*Beatable*

*All temptation we face can be overcome (1 Corinthians 10:12-13)*

*There is no need to fear tests and trials*

*Redeemable*

*Even failure in temptation or trials can be used for our good*

*Prayer keeps us from bootstrap Christianity...*
