

## **WORSHIPING THE ONE WHO IS WORTHY**

Acts 17:22-34

Pastor Bryan Walmer

We all worship something vv 22-23

We cannot live without:

Identity

Meaning

Purpose

We worship the things that provide what we cannot live without.

Our “I am” statements in life can show us what we are worshiping

That something we worship should be Jesus vv 24-34

He is greater than all He has created.

He is the answer to the things we cannot live without.

The first and most important “I am” statement needs to be “I am a Christian.”
