

Pursuing Peace

Colossians 1:19-22

Jesus came on Christmas to bring us peace with God.

Christmas is about God coming to dwell with us.

The fulness of God dwelt in Jesus so we could have peace with God.

Peace with God can bring us peace in our lives (Romans 5:1)

Christmas means we should pursue peace with others (Romans 12:18)

We are to live at peace with everyone.

Peace may not be possible, but we should go as far as we can to pursue it.
