

# THE KING REVEALED

## **The Proclaimed King | Luke 19:28-44**

**Jesus is the King who will be proclaimed with or without our voices.**

Jesus' ride

The colt shows that Jesus is the King who is in control. So in control that He:

Fulfills scripture

Has sovereign authority

Has creation obeying him

The Rivals

The goal of some is to take something that is public and make it private.

Jesus is not the king we want/expect.

We've turned a public king into a private preference.

The Rocks

All of Jesus' rivals are really no rivals at all. He will have the victory.

We proclaim the gospel through word and deed.

Don't surrender your purpose to the rocks!
