Engaging Our World for Jesus | Acts 19:11-17

The Apostle Paul was known among the powers of darkness because he:
Served.

Paul was willing to use the gifts and abilities God gave him to serve the churches he planted.

We all have gifts and abilities we can use to serve in our church.

Serving is spiritual warfare.

Shared.

Paul made sharing the gospel with others an important part of his life.

The greatest miracle God does is make it possible for us to move from spiritual death to spiritual life.

Three ways to share the gospel:

Tell someone.

Bring someone.

Show someone.
