Belief in Jesus provides us with an identity unlike any other.

In Jesus, we are:

Servants

All of us, no matter how great or normal in the eyes of our contexts, are servants of Jesus.

Nothing about us makes us superior to someone else.

Saints

We are holy ones which means we are set apart for special relationship with God - having been cleansed from our sin through belief in Jesus so that we can fulfill His purposes in the world.

All of us can be made holy through belief in Jesus. No one is excluded from being viewed as holy by God in Christ

Children

We are members of God's family as His children with access to His favor, blessing, support, guidance, wisdom, and discipline.

Being a child of God gives us access to a community unlike any other.
