

## **VICTORY WILL BE REALITY**

Acts 12:1-24

God's victory can be temporal.

God can bring victory in our lives in the here and now.

If that's the case, we need to:

Ask v 5

Acknowledge v 11

Announce v 16

God's victory can be confusing.

Sometimes, God's victory does not come in the here and now. vv 1-2

When that happens, we need to trust God. v 6

God's victory will be final.

This is a showdown between God and his enemies that God wins.

We will experience the victory Christ won for us in the end. v 24
