

A Cosmic CHRISTMAS

A Cosmic Hope | Revelation 12:1-6

Pastor Bryan Walmer

November 30, 2025

Advent means arrival.

Two signs in Revelation 12:

The woman = Mary and Israel, who brought the seed of the woman meant to crush the head of the snake (Genesis 3:15) into the world.

The Dragon = The Devil or the Satan, a real spiritual being who lives to steal, kill, and destroy.

Christian hope is not hopeful; it's certain.

You can find hope if you trust God's:

Power - He can overcome anything this world throws at us.

Victory - God has won comprehensively.

Protection - God will not necessarily protect us from harm, but will carry us through anything we face and out the other side better off than when we went in.
