

Purpose And Perspective For The Here And Now

1 Corinthians 15:20-34

Jesus' resurrection gives us purpose and perspective for our present moment.

Present perspective

Jesus' resurrection tells us what is wrong and the fix for what is wrong

We live in the "already" but "not yet"

Church imperfections and personal growth

Present Purpose

We live to make the "not yet" more "already"

Living to gain life vs. give life

What does your present life show your purpose to be?
