

SACRED

GOD'S INVITATION TO
DRAW NEAR

Sacred Blood | Leviticus 17:8-12

Pastor Bryan Walmer

God alone provides the life we need.

God provides life

Blood given = Life given

Atonement involves both justice and mercy.

Jesus' blood brings about the ultimate act of atonement.

God gives us life by giving us His Son.

Seek life in God

We tend to add backup plans to Jesus, like:

People

Possessions

Pleasure

Promotion

False gods always over-promise and under-deliver.

Sin moves us away from the God who is life.
