The Suffering Servant

Isaiah 53:4-12

Pastor Bryan Walmer

Jesus suffered completely. This means he suffered:

Physically

Mentally and emotionally

Spiritually

If Jesus suffered completely, Jesus:

Did not spare himself any suffering.
He chose to suffer as much as he did.

Loves you a ton.
One way you can tell how much someone loves you is the lengths they are willing to go for you.

Is with you in your suffering.
Jesus willingly entered into his suffering so that he could walk with you through your suffering.
