Risen From The Dead

Luke 24:36-53

Pastor Bryan Walmer

The resurrection of Jesus Christ will radically change your life because:

The resurrection is actual.

Jesus actually rose from the dead.

Jesus' resurrection was physical.

The resurrection is essential.

If Jesus did not raise from the dead Christianity does not exist.

In his resurrection Jesus conquered the penalty for our sin in death.

The resurrection is transformational.

You cannot encounter the risen Jesus without walking away changed.

Two ways to experience the transformational power of the resurrection:

Never surrender.

Do what Jesus says.
