GOD'S INVITATION TO
DRAW NEAR

Obedience Leads to Life | Leviticus 26:1-2

Pastor Bryan Walmer

Obedience leads to life.

God's purpose

Leviticus 26 and Genesis 1-3:

Fruitful trees (Leviticus 26:4, Genesis 1:29)

Fruitful and multiply (Leviticus 26:9, Genesis 1:22, 28)

Walk (Leviticus 26:12, Genesis 3:8)

God's purpose for humanity is to walk in relationship with Him and enjoy the benefits therein.

God's plan

Obedience to God leads to life.

Our problem

Sin is relational rebellion.

God's promised judgment comes with opportunities to change.

God's promise

God pours out blessing and withholds judgment.

There is always time to return in this life.

What does all this require? Initial and continual surrender.
