Everything changes when we understand the love of Jesus.

The nature of God's love (John 3:16)

The motive of His love

The object of His love

Love does as Jesus did. (John 13:34)

He went into the wilderness.

Matthew 3:16-4:1

He loved unconditionally.

John 13:1, 18; Psalm 41:9

He sacrificed His comfort for our benefit.

1 Peter 3:18

Christian love makes Jesus recognizable in a broken world. (John 13:35)

Because God exists in unified love.

Because our love affirms the dignity and worth of every human being.

Revelation 7:9-10

Because our love is beautiful in an ugly world.

What happens if we ignore what Jesus taught? (John 13:31-33, 36-37)
