Creed: We believe in Jesus Christ, his only son, our Lord

Jesus demands our highest allegiance and affection.

Because his glory is seen in his original creation vv 15-17

He is the firstborn over all creation.

All things were created by him; therefore, they are less than him.

All things are sustained by him; therefore, they depend on him.

Because his glory will be revealed in his future creation vv 19-20

He is the one true God.

He will heal the created realm.

There will be peace through his sacrifice.

Because his glory is to be unmistakable through us today v 18

As the head of the church

As the firstborn from the dead

When he is preeminent in our lives
