

Scarcity and Jesus' Provision

1 Corinthians 15:35-49

Jesus' provision of a future body fit for eternity guarantees provision now.

Jesus will give us the body we need for eternity.

Just like Jesus gives proper bodies for earthly places, He will give us a body for our new earthly home.

If Jesus will provide you what you need for eternity, He will provide you what you need now.

That body will not just be sufficient. It will be abundant.

Jesus provides over and above what we might need.

Jesus wants us to live in abundance, not scarcity.

We can trust Jesus to provide.

God promises to provide.

That promise is guaranteed by Jesus.
