

# Gathered To Go

Devoted Gathering | Acts 2:41-47

Churches should be devoted to certain things, like:

## Gathering

Christians need to gather together and build community in both large and small groups.

Being personally plugged into a regular gathering will benefit your relationship with Jesus.

## Teaching

The Apostles were the authority on all things Jesus.

We have the Apostles' teaching recorded for us in the New Testament.

## Worshipping

Giving God value or worth in our gatherings through prayer and singing is important.

Generosity is an act of worship.

## Wondering

We should be devoted to being filled with awe before our God.

Baptism and Communion are our signs and wonders meant to fill us with wonder before God.
