The Test For Truth

1 John 4:1-6

There are false teachers who can be identified with a simple test.

1) There are false teachers.

There are false ideas that are taught.

We need to test everything we hear.

2) The test for false teachers:

What's the test for false teachers? Jesus. Namely, what do they say and teach about Jesus?

Where do we find who Jesus is? Jesus has revealed himself through the Apostles in the scriptures.

Who is Jesus?

God	Man	God & Man
Sinless	Died and Rose	
King	Coming Back	Only Way

This is the test!

3) The strength for false teachers:

There are lots of false teachers, but they do not have to overcome us.

Jesus is greater than anything in the world. When we struggle in our faith, we need to look to Jesus.
