The Definer Of Love

1 John 3:16-18

Jesus defines love as being sacrificial.

Love is defined by Jesus.

Every example of love we see in our lives is flawed. No one loves perfectly.

Jesus is the definition of love.

Love is sacrificial.

Jesus sacrificed more than we can imagine.

Jesus sacrificed for us because He loves us.

We should love sacrificially.

Jesus' sacrifice asks us to love others the same way.

Sacrificial love cares for the poor and needy.

It is our responsibility to care for those in need.

We care by meeting the need and helping to find freedom from the need.
