Jesus is King on His terms, not ours.

Jesus is King... vv 6-8

cloaks, palms, and songs

Jesus is no ordinary king, He is the King.

...but not the king they wanted. vv 1-5, 10-17

Really important question: Who is this?

The king they wanted = conqueror

Jesus is a humble, suffering servant

Jesus is the ultimate King and Judge of the world.

Is Jesus King on your terms, or His? Matthew 16:13-28

Prayer is a great indication of whether Jesus is King on His terms or yours.
