

Psalm 13

Honesty Is The Best Policy

Psalm 13

When life takes a turn, run to Jesus.

Do not let suffering or struggle drive you away from the solution in Jesus.

When you run to Jesus, be...

1) ...honest about what you feel.

All throughout the scriptures people are free to tell God what they are feeling. (Jeremiah 20:7)

You have permission to be honest with Jesus about how you are feeling.

2) ...honest about what you see.

We tend to look at things happening in our lives as not that bad or actually good.

Lament is not an act of unfaithfulness.

3) ...honest about who God is.

God loves us, will save us, and remains good.

We know this to be true because of Jesus.
