1. Jesus saves us with His body and blood.

Jesus takes the Passover meal and makes it about Himself.

Jesus is asserting the fact that everything pointed to Him saving us with Himself.

2. Jesus saves us from our sin and judgment.

“For” = “in behalf of, in place of”

Jesus takes the cup of God’s wrath so we can drink the cup of His forgiveness. Isaiah 51:17, Revelation 14:10

3. Jesus saves us for Himself.

Communion helps us keep the cross central in our lives.
