

# EASTER SUNDAY

## **The Final Say | Luke 24:36-43**

Pastor Bryan Walmer

April 5, 2026

**You can have real peace now and real hope forever because of the risen Jesus. The Resurrection is:**

Real

Jesus actually rose from the dead

These not fit as legends or myths

Physical

Jesus rose with physical body that could be seen, touched, and eat.

Death is a certainty that Jesus has overcome

Final

Jesus has the final say over us

We can have peace with God through Jesus
