

THE KING REVEALED

A Child of God | Luke 3:21-22

A relationship with God is founded on approval before performance.

Jesus' relationship to God

God is triune. He is one God who exists as three persons: the Father, the Son, and the Holy Spirit.

Jesus is the second person of the Trinity. He is the Son of God.

Because God is Trinity, things like encouragement, praise, and love are part of His nature.

Our relationship to God

God wants to give us a Father/child relationship with Him.

God can say to us "You are my beloved Son; with you I am well-pleased." What that means:

Honor

Access

Safety

We get that relationship through Jesus.
