

JOY IN THE JOURNEY

Discovering Contentment In Christ

The Secret Of Contentment

Philippians 4:10-13 CSB

There are three things we need for contentment in life:

Rejoicing

There is always something in our lives over which we can rejoice.

What God has done for us in the gospel can be a constant source of joy.

Understanding

Contentment is not determined by our circumstances.

Contentment is informed by our circumstances.

Jesus

Christ is enough to bring us contentment and satisfaction.

Christ is life in and of Himself.
