

## God Is Greater Than We Think He Is.

Genesis 1:1-2

Pastor Bryan Walmer

God is greater than we think He is.

Genesis 1:1 tells us that God is:

- Eternal
- Self-Existent
- Self-Sufficient
- Unchanging
- All-powerful
- All-knowing
- Ever-present
- Sovereign

Despite His greatness, God is not far off.

Jesus shows us the greatness of God

If God is greater than we think He is:

- 1) God is life.
- 2) God is bigger than our problems.
- 3) We come to God on His terms.
