GOD'S INVITATION TO

Clean and Unclean | Leviticus 12-15

Every culture has taboos, rituals, or understandings around cleanliness that are hard to explain.

Holy = Yahweh

Common = Everything else

Clean (Pure) = Ideal state

Unclean (impure) = less than ideal state

Being unclean is not wrong. Approaching God in an unclean state is wrong.

Uncleanness happens when you come in contact with something connected to or related with death.

There is always hope of complete and total cleansing, but only Yahweh can provide that. We cannot make ourselves fit for God's presence.

Jesus is the ultimate cleanser. He came to destroy that which defiles and leave in its place cleansing and wholeness. We only need to turn to him to find it.
