

## Remembering What We Know

*Psalm 24*

It's easy to forget and live outside the things we know to be true.

1) We belong to God.

Everything in all creation belongs to God - including you.

Knowing that everything belongs to God frees us to be more generous.

2) We belong to God because He created us.

God is God and we are not.

The primary goal of your life is to pursue a relationship with Jesus in which you bring glory and praise to your Creator.

3) We belong to God because He saved us.

Our natural instinct is that we have to go up in order to get where we want. The problem is we can't make the climb.

Jesus climbed the mountain for us and allows us to rest from our exhausting climb.
