

The Certainty of Hope

John 1:1-14

Christian hope is certain because of Jesus.

Where we get our hope

Jesus is God become flesh.

Jesus gives us hope because in Him God speaks.

What our hope is

We tend to define hope as desiring for something to either happen or not.

Christian hope is certain that Jesus has conquered darkness once and for all.

How we share our hope

Living in it - We have to put our hope in Jesus and nothing else.

Telling others about it - We have the chance to tell others why we have the hope we do.
