### **You can have peace.**

We can find peace through:

#### Struggling

Pretending to not be anxious or worried is an enemy to finding peace.

Allow yourself to struggle with things in life.

#### Seeking

We will seek peace.

We need to seek peace in Jesus. (Philippians 2:6-7)

#### Surrendering

We have the Holy Spirit in us and power of God over us to see us through anything we face.

We find peace when we surrender ourselves to Jesus.

#### Sharing

Inviting people into our lives brings peace.

Share your struggle and victory with others.
