Generosity is a discipline that cultivates our dependence on God.

Three things from 2 Corinthians 8:1-9

1) We give

God has called His people to give back some of what He has given them.

Today, that giving looks like supporting the ministry of our church and the ministry of the kingdom in the world.

2) What we give

We are to give God our first and best, not the rest.

Decide what first and best you are going to give to God.

3) Why we give

We know Jesus will provide.

Jesus has given to us by becoming poor so we can be rich.
