

WHAT IT
MEANS TO BE A
CHRISTIAN

Good-man Or God-man

1 John 5:6-12

We can have confidence that Jesus is the Son of God.

1) The testimony given about Jesus by four witnesses

Baptism - Jesus was always the Son of God.

Crucifixion - Jesus died in our place.

Holy Spirit - As the truth, shows Jesus as the Son of God

The Father - The supreme witness declares Jesus His Son.

2) The response we must have to this testimony

Evidence like this demands a response. We cannot stay neutral.

Who is Jesus to you right now?

3) What we receive when accepting this testimony

We have the gift of eternal life in Jesus.

Eternal life is about meeting Jesus.
