

THE PROMISES OF GOD

Acts 27

1. God makes promises.

Some of those promises are:

Full life - John 10:10

Finished work - Philippians 1:6

Comfort - 2 Corinthians 1:3-4

Never leaves - Hebrews 13:6

God makes us these promises when He doesn't have to do so.

God makes promises because He loves us.

2. God keeps His promises.

This remains true even if it does not seem like it.

3. We can trust God's promises.

We can trust God's promises because we know He comes through on them.
Genesis 3:15

2 keys to trusting God's promises:

Know what they actually are.

Remind yourself of them.
