

THE IDENTITY OF THE KING

John 18:28-40

We need to be sure that we know who Jesus is for ourselves.

Sacrificial Substitute

Jesus takes our place so that we do not have to face God's justice.

Communion: Remember Jesus as our substitute.

Otherworldly King

Jesus' kingdom is not from this world meaning it does not find its source in our world.

Worldly kingdoms are defined by gaining power through force to exert control and dominance.

Measure of all things

Jesus is the truth in and of Himself.

Jesus' vision for the human life and flourishing is like no other.

Let's make sure we are not taking someone's word for it when it comes to Jesus.
