Everyone has been invited to come and see Jesus.

We can know Jesus:

1) Factually

We can know things about Jesus.

The scriptures are the best place to get to know Jesus.

2) Emotionally

Knowing stuff about Jesus is not enough.

We need to let Jesus engage our emotions.

3) Experientially

Jesus wants us to know him in a way we can experience through His:

Provision

Power

Purpose

Walking through things with Jesus allows you to know Him more.

John 1:51 - The end of our story is that we will be with Jesus.
