GOD'S INVITATION TO
DRAW NEAR

A Royal Priesthood | Leviticus 8-10

We tend to think of priests as fools or villains, which can color how we read a passage like Leviticus 8-10.

Preparation

Moses and Aaron did everything as the Lord commanded.

Every aspect of a priest's life was devoted to Yahweh.

God is continuing to bring Eden back to earth

All Christians are priests who serve God wholeheartedly in obedience based on atonement.

Results

Moses and Aaron get to go back in the tent, and the fire of the Lord consumes the offering.

If we are faithful to do what God asks, He will honor it.

Response

We do not get to redefine anything that God has already defined for us.

Nothing should have more control over our lives than Jesus
