1. What is God's kingdom?

God's kingdom is God's reign and rule made reality in the world.

God's kingdom clashes with our kingdom.

2. Praying for God's will

Prayer is a great indicator of who is winning the clash.

The purpose of prayer is to change our will to meet God's.

3. The point of prayer

Prayer can easily turn into a transaction.

One of the biggest things prayer changes is us.

Praying for our kingdom vs. praying for God's kingdom (Matthew 26:36-46)
