CHURCH OF CHRIST

STAYING IN STEP

It's hard to believe that 2025 is already over. It feels like we only just began to talk about how to form spiritual rhythms and grow closer in our walk with God.

At the beginning of the year, we emphasized that we wanted to not just talk about spiritual rhythms, but *"equip"* (Eph. 4:11-16) the congregation with what they needed to carry these disciplines out. This equipping included:

• A summer daily Bible reading program.

• Two rest days and corresponding reflection questions to meditate on.

• Shifting prayer nights to include more hands-on activities and thereby putting our prayers into action.

• Making the welcome a permanent addition to the beginning of our worship.

• Adding a question and prayer thought slides during our time of communion.

• Added the Table Talk to give more time to our communion.

• Two Friends and Family Days.

• Offered additional study times like Ladies Bible Class, Thursday Class, Men's Workshop, etc. for further study.

• Various handouts in sermons and classes to better carry out the discussed disciplines.

In addition to this list there were also:

• New ministries and events formed.

• New families who placed membership with us.

• Several baptisms throughout the year.

• Countless emails, meetings, and changes to the bulletin to aid in better communication between the congregation.

I'm sure there's more that I am overlooking here, but there is enough listed here to show the overall point of the year: we **grew**. We grew in number, and most importantly, we grew as followers of God.

From a leadership perspective, we watched many within the congregation take leaps, and grow in ways they wouldn't have thought possible years ago. Personally, I am ending this year feeling encouraged and excited about where we are going as a congregation. I'm proud of the work so many of you have done this year, and am confident that will continue into 2026.

As we head into a new year, may we continue to walk with God faithfully trusting Him to guide our steps.

-Jack Dodgen
