**Simple:**

**"The Greatest Commandment"**

**Matthew 22:34-40**

Why do we have a tendency to complicate spiritual things?

1. The supreme being issue
2. The spiritual = mystical issue
3. The self-glorification issue
4. The excuse issue
5. The other people made it harder than it should be issue

1. The simplicity reveals how much God wants our heart
2. It reveals how much we have missed the mark and need Jesus
