

Greetings to you from (Fill in)

God has afforded yet another awesome opportunity to serve Him this summer, and we are very excited about it! As you likely know, we currently serve in various capacities in our local church alongside some incredible people. This summer, (who) will have the chance to serve on a **Mission Trip Team** comprising both adults and students to partner with Street Reach Ministries, working with impoverished, at-risk children in Memphis, Tennessee. We will be leaving on July 6th and returning on July 13th.

In preparing for our journey, there are a few things we humbly ask you to do for us. First, we are committed to prayer and having people **pray for our team**— especially while we are traveling and serving. We ask you to pray for our team's health, safety, open doors to share the gospel while we are there, and that we reach out to this community with the love of Christ.

We also ask you to **prayerfully consider helping us financially**. If you know our family well, you know that we are the helpers and givers. We do not like asking for help... especially money. Please know that my intentions are pure! All that said, the total cost for our mission trip is \$550 per person. If we receive donations, it will help our family to continue to be able to help and give in other places, over time, when God brings other needs before us. So, we are praying that at least 22 people will consider partnering with us by donating \$50. We understand that this opportunity is approaching quickly, but we are committed to going, and we are doing our part to help raise the funds and answer God's call on our lives. Would you consider helping with a **donation of any size? Please do not feel obligated to do so, if you cannot do it.** Any help you can give is greatly appreciated, but **your prayers are honestly what we need most.** That is why I (who) am sending this letter to ministry-minded people whom ***I trust to pray for us!***

Some of you may also feel led to financially support our mission opportunity, or you may even know of someone else who funds mission trips and would be willing to partner with us in this way. If that is the case, and you (or they) would like to write a check, would you please make the checks payable to **Calvary Baptist Church?** Then mail them by June 30th to:

Name & Address

Contributions are not refundable, but they are tax-deductible. To receive proper credit, **please do not write our name anywhere on the check.**

Thank you so much ahead of time for your prayer support and for any financial gift you can give. Thank you for helping us to be faithful in answering the call that God has placed on our lives to serve God through this mission opportunity. We cherish you and your prayers. May God richly bless you as you take part in helping to impact people's lives that you may never get the chance to meet this side of heaven.

In His service,
