

# Courage over Clarity - Day 1 - What Is Faith?

## Aim of Today's Study

To understand **biblical faith** as confidence in what God has promised, even when the details are hidden — and to confront our desire for clarity before obedience.

## Anchor Passage

### Hebrews 11:1–3

Faith is the *substance* of things hoped for and the *evidence* of things not seen.

## Study and read the following Passages in context.

- **2 Corinthians 5:7** — Walk by faith, not sight.
- **Romans 8:24–25** — Hope requires waiting for what is unseen.
- **John 20:29** — Blessed are those who believe without seeing.

## Summary for the Day

- Faith is not a feeling or wishful thought.
- Faith is a foundation — solid confidence in God's character and promises.
- Clarity wants full understanding before moving.
- Courage steps forward because God is trustworthy, even when the path is foggy.

Today you are invited to let God reshape your definition of faith so you can live with courage instead of control.
