

The background of the image is a deep space scene filled with numerous stars of varying brightness. A prominent, colorful nebula with shades of red, orange, and blue is visible in the lower center, partially obscured by the text. The overall tone is dark and mysterious, fitting the theme of the title.

God van die duister

Die God van die Ou Testament

Hoe verstaan jy God?

Baseer jy dit op die Nuwe Testament of die Ou Testament?

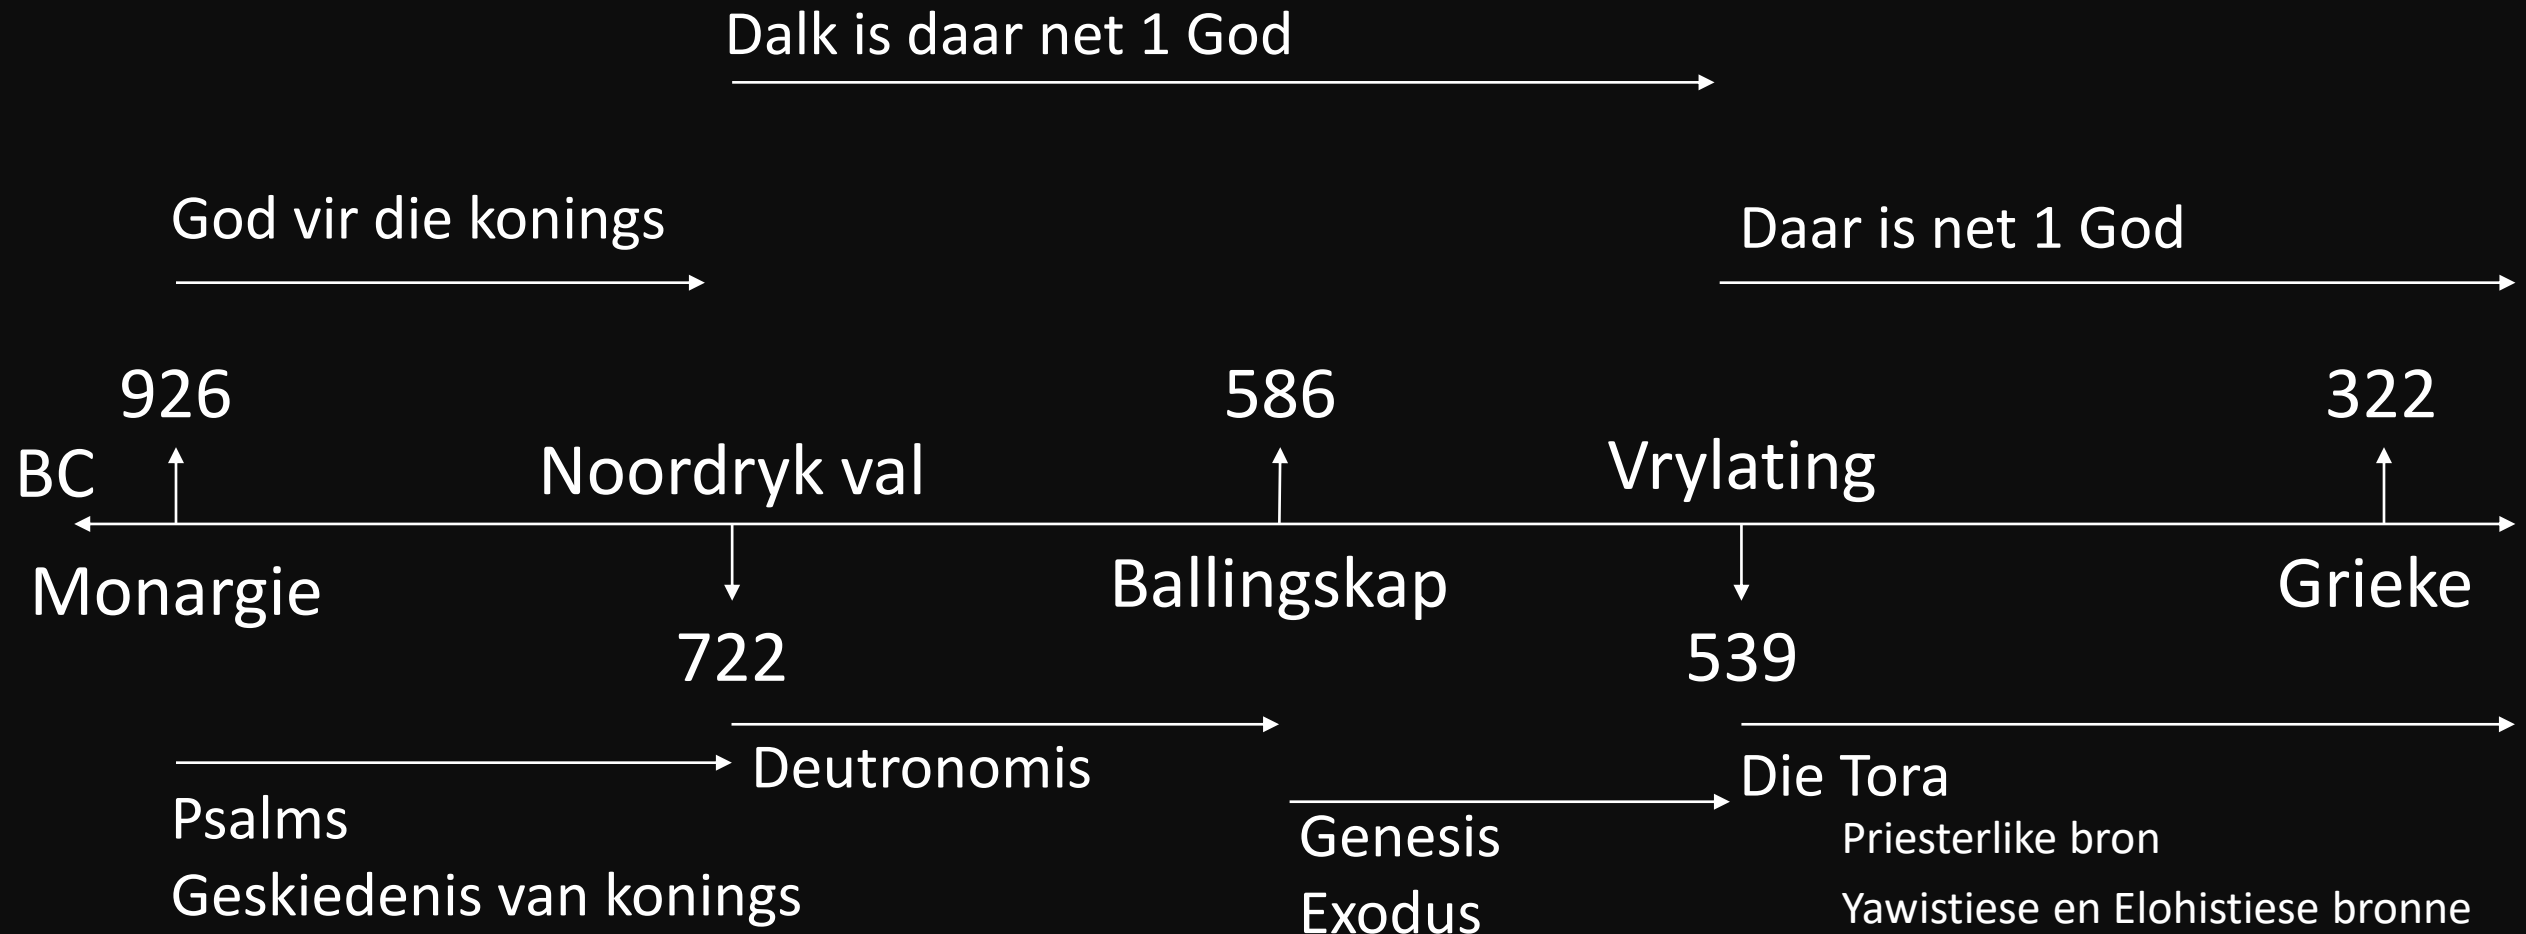

Hoe belangrijk is die Ou Testament?

“As a general rule, Christians cannot come to knowledge of God through the books of the Old Testament but only through the perfect doctrine of Christ and his apostels.”

Johann S. Semler (1774)

Historiese konteks is belangrik

Waar kom YHWH vandaan?

- Kom vir die eerste keer voor in Genesis 2:4, maar word eers verduidelik in Eksodus 3:12-15.
- Word algemeen vertaal as 'HERE', 'HEER', soms God.
- Kan moontlik beteken:
 - Ek is, wie Ek is.
 - Ek is, wie Ek sê Ek is.
 - Ek is, wie Ek sal wees.
 - Ek is, wie Ek was.

Wie is God dan nou eintlik?

Dit is die doel van ons studie
