BLACK HISTORY MONTH WEEK 2 FEATURED NOTABLE FIGURE: HOWARD THURMAN

Howard Thurman (1899-1981) — The Bridge Builder: Thurman dedicated his life to the pursuit of a society that could acknowledge its differences yet elevate its common human ties. He visualized a world where racial, ethnic, or religious barriers did not serve as a roadblock to creating meaningful relationships. Howard Thurman's story is one of resiliency, bravery, and hope. It began in Daytona Beach, Florida at the turn of the century on November 18, 1899—Thurman's birthday. Though his family had little to no means, they loved him dearly, and throughout his life, Thurman (Hon.'67) would often attribute his success to his family's courage and sacrifice. Thurman began his forays as a faculty member, first serving as the Director of Religious Life at Morehouse and Spelman Colleges in Atlanta, and then as the first dean of Andrew Rankin Chapel at Howard University. As an educator, Thurman took time to engage his students in deep conversation about their unrealized potential, prompting them with questions like, "Who are you, really?" and "Who do you want to be?"

By the time the Civil Rights Movement took shape in the United States, Thurman was a nationally recognized human rights advocate, though he did not take to marching and mobilizing on the streets. He preferred to serve as a caretaker and spiritual advisor to those who did, among them Jesse Jackson, Marian Wright Edelman, and Dr. Martin Luther King, Jr.

VOLUNTEERS NEEDED FOR PEACEABLE KINGDOM

Peaceable Kingdom

During the 10 am service on Sundays, we have the Peaceable Kingdom, which is our Sunday morning children's formation from birth through age 10. A MESSAGE FROM FACILITIES DIRECTOR, MATT HORNSBY

In early December a cathedral staff member reported seeing a slight shifting of 2 windows in their 4th floor office. I immediately contacted Schaefer Engineering to conduct a structural inspection of the 4th-floor north wall of the parish house. Schaefer's inspection revealed a deteriorating pier behind the brick facade. The engineer assured us that there was no immediate danger, however it needed to be repaired as soon as possible. **Work began on February 5th and is expected to take five weeks.**

Unfortunately, several areas of the cathedral need to be closed during construction. Closed areas include the 5th-floor gymnasium, 4th-floor NE office, 3rd-floor forum room, and the Library. *Please note that during this time Sunday Coffee Hours will be moved to the Undercroft.*

If you have an event or meeting scheduled in the library or 3rd-floor forum room during this time, Michelle Hornsby will be reaching out if you have not already been contacted. She will provide you with the new space where these meetings or events will be relocating to.

SHILOH'S FAREWELL RECEPTION

There will be a farewell reception for Shiloh **today** following the 10:00 am service.

For fourteen years, Shiloh Roby has served as the Cathedral's beloved Associate Director of Music. His tenure here will end on February 18, however, as he has been appointed Director of Music at Trinity Episcopal Cathedral in Cleveland.

While we are saddened for ourselves, we are excited for Shiloh in this new adventure and know that he will richly bless the people of Trinity. We hope everyone can join us to celebrate his ministry here and say farewell in style!
