Some questions to consider:

**Why is knowing the history and uniqueness of the Bible important?**

**What thoughts do you have when you think about the sacrifices that others have made so that you and I can have the Bible in our own language?**

**How would your life change if you didn't have access to a Bible?**

In Matthew 4:4, Jesus said, "People do not live by bread alone, but by every word that comes from the mouth of God."

**How is what God says essential for our life?**

Psalm 119:11 says, "I have hidden your word in my heart, that I might not sin against you."

**How can someone "hide" God's word in their heart?**

If you don't currently have a regular plan for reading and learning your Bible, please check out **New Hope's Bible Reading Plan** by going to nhcbrp.com.

The Bible is much more than an ancient book of stories and rules. It claims to be the wisdom of God to instruct, guide and protect us. This three-part series will explain the origin of the Bible, why we can trust it, and then how each of us can learn and apply its wisdom to our lives. This week... **Wisdom & Wonder**. Together, we will look at how the Bible came to be. We'll also look at some key events in the history of the transmission of the Bible, so we can see God's supernatural hand in the process.

## VETERANS DAY

On Sunday, November 11th, our nation pays tribute to the men and women who serve or served in the United States Armed Forces – many of whom are part of our New Hope family. As a way to honor these individuals, we will have a display table in the lobby honoring the different branches of service. One thing we can all do to show our gratitude is pray for those who put themselves in harm's way for our safety and freedom. Please take a toy soldier from the table and put it in a place where you'll see it each day, as a reminder to keep our armed forces in your prayers.

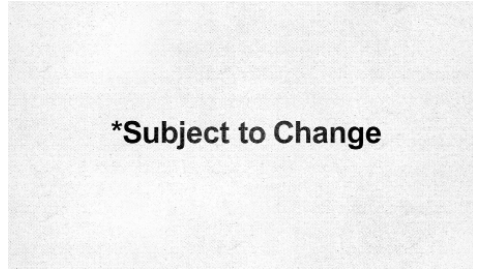

# WE ♥ OUR VOLUNTEERS

We love our volunteers and we take pleasure in spotlighting them each week. **This week, we'd like to recognize and thank Terri Malian for serving.** Terri serves in the MarketPlace and is happy to help anyone that stops in. The MarketPlace offers many wonderful products made by artisans in developing countries. By purchasing their goods, it allows us to support their quest for self-sufficiency and sustainability. The proceeds from each purchase go to funding meals for Feed My Starving Children. **Stop by today and visit Terri or one of our other MarketPlace volunteers. They will be happy to assist you and will have you leaving with a smile!**
