

Dressed for Success: Sword of the Spirit

LIFE GROUP QUESTIONS

Key Verse: Ephesians 6:17 – Take the helmet of salvation and the sword of the Spirit, which is the word of God.

1. What was your main take away from this past Sunday's sermon?

2. The sermon distinguishes between logos (written Word) and rhema (spoken Word). How does understanding this difference change the way you approach both Bible study and listening for God's voice in daily life?

3. Pastor Chris shared personal stories of receiving rhema words during health scares and financial struggles. When have you experienced God speaking a specific word to you in a crisis, and how did it change your response to the situation?

4. The concept of a 'double-mouthed' sword means God speaks it first, then we confess it. How might your spiritual battles look different if you consistently spoke God's words about your situation rather than your own doubts and fears?
