

Irresistible – Chooses to Love

LIFE GROUP QUESTIONS

Key Verse: Matthew 22:35-40 (Please read individually & as at Life Group)

1. Ryan said, “Genuine love transforms what we believe into how we live.” Share a time when your love for God transformed the way you behaved towards someone or something because you knew it was not the right way to live.

2. The Holy Spirit has called all of us to make sacrifices. Share a sacrifice you have been asked to do by the Holy Spirit. Did you respond out of obedience; Lord, change my heart, or whine and complain?

3. What were your initial reactions to, “Love for the people of the area you live in is mandatory for a church to succeed” and “A Church must minister out of love — love for Christ first, and then love for the people of its region second”? Do you see Grace ministering out of love? Do you love the people in your area – neighbors, city, county, region?
